Florida Condo Website Compliance — Made Easy

Stay Compliant. Stay Secure. Stay Connected

As of **January 1, 2026**, Florida law requires condo associations with **25+ units** to maintain a secure website for sharing official records with owners. (CS/CS/CS/HB 1021 — Community Associations and codified in Section 718.111(12)). **We make it simple and affordable.**

What You Get:

- Pre-built layouts to choose from*
- 4 pages: Home, Login, About/Contact Page and Member's Only
- Secure Members-Only area (password protected) with custom login
- Uploads of required documents (up to 75)
- Mobile Friendly and ADA-compliant, works across all devices
- Easy-to-use dashboard for your board to manage updates with visual drag & drop editor
- 1-hour virtual group training for board members
- 1st year free hosting, if hosting with Bold Sphere Digital; domain acquisition estimated at \$25***
- No ongoing maintenance or service plans required. Maintenance is provided as-needed, pay-as-you-go, at our regular hourly rate
